

## **FUERA**

IP66 luminaire with GRP body and stainless steel clips. Top quality SMD LED modules with colour consistency MacAdams 3, extensive portfolio of lumen ranges, CCTs and spectra. Variety of drivers: standard EVG on/off DALI and wireless controlled as MasterConnect on request. Remote, wireless occupancy & daylight sensor available to allow significant energy savings and wireless connectivity. Mounting on any type of ceiling. Body is made of compressed fibreglass reinforced polyester (GRP), grey RAL 7035. Variety lumen outputs and drivers allows to use this luminaire in different types of lighting projects.

Luminous flux & Luminaire Power tolerance up to 10%. System power consumption depends on components used. Luminous efficacy depends on type of LED's, electronics, optics and diffusor. The most up to date technical parameters can be found on our website and in database of LDT files.

## Lighting direction

PDF datasheet:

## **FUERA**

Mounting: Surface mounted/suspended

Body material: Compressed fibreglass reinforced polyester (GRP)

Colour: Standard grey RAL 7035

Standard up to 10.000 lm, any other on request Lumen output:

LED module: Signify (Philips), Tridonic or equivalent SMD LED module

3000/4000K, other on request Colour temperature:

CRI>80 in standard, other on request **Colour Rendering:** 

EVG on-off, DALI, MC (MasterConnect), other on request Driver:

Philips MasterConnect on request Wireless controll:

Daylight/Occupancy sensor: Wireless MCS IP65 sensor

Emergency unit: On request -25°C ... +35°C Operating temperature range: IP Class: IP66 in standard Power: 220-240V 50/60Hz Lighting direction: Direct lighting Symmetric Light distribution: 110° Beam angle:

Diffuser: PMMA with UV protection, frosted finish

Warranty: 5 Years standard warranty

FUERA surface mounted luminaire FUERA PND suspended luminaire

All current index numbers, lumen outputs, power consumption and many other technical information are available in our 2024 pricelist. Details on wireless lighting control systems on page number 896.
